Chapter 1 by Jaden Riley

There was no way i was going back, back to the place where my horror began. I was only 14 and of course like all 14 year older's i thought i was an adult, i thought i knew everything. But i didn't know anything at all. It was the beginning of summer we just got a new neighbor his name was Mr.Mathews it was funny to me because he was a English teacher and had math in his name, he had dirty blonde hair with a tent of gold at the ends and baby blue eyes that made you think of the beach. Every girl on the street had a crush on him even though he was 25. I never thought that me and him would happen but it all started when my mom asked him to give me piano lessons. For him and me the relationship was different, for me it was well love for him it was just another girl in another town, but i didn't know that when we started. I liked having a secret that i really couldn't tell anyone i liked that i knew i had what every girl wanted and i liked that someone as perfect as him wanted someone so non perfect like me.
